

Brunswick Moreland Catholic Community
Parish Governance, Leadership and Engagement
Personal Reflection

Name: _____

Parish: _____

Contact email/phone: _____

Dear parishioner

As we move to the formulation of the Evangelisation and Stewardship Councils structure, an invitation is offered to all parishioners to discern their involvement with the Councils. Completion of this reflection is the first step.

The next step will be two meetings where the work of the committees will be further explored, enabling those interested to pray and reflect upon their possible involvement.

Be still

I take a moment to be still and hold in my thoughts the parishioners of Brunswick and Moreland parish mission.

An invitation to think about your involvement in parish life.

- I reflect on my previous experiences of parish life involvement:
 - What inspired me?
 - What challenged me?
 - What gifts were drawn upon during these times?

- If I am new to parish involvement/leadership:
 - What is drawing me to be part of building the Community?
 - What skills/gifts do I bring?

- Thinking back over my parish journey, what have been significant moments for me when I have come to a deeper understanding about the work of mission and parish life?

- What formation in the areas of faith, liturgy, community, prayerful decision making have I had that might assist me in undertaking a new role in parish life?

- How do I best work with others?

- What can I offer the parish through my participation in parish leadership?

- In reflecting upon my current commitments, am I confident I can make the appropriate time commitment to the work of the Evangelisation/Stewardship committee? (E.g. this could include monthly meetings of the overall committee; working group meetings; attendance at key parish functions and events).

- In thinking about the Evangelisation and Stewardship Council – to which do I feel called?

Please indicate which of the below you are best in alignment with your skill-set:

Evangelisation Council		Stewardship Council

Please return your reflection to parish office via email or hard copy
